

# One-Page Design Document

*Week 2 - Sunny (Chattawan Padungkiattisak)*

## Game Identity / Mantra:

A cozy, pixel-style visual pet game with flexible opt-in playtime.

## Design Pillars:

Slow-phase action. Relaxing. Heart-warming.

## Genre/Story/Mechanics Summary:

The game simulates real-world resources evaluation by allowing players to choose their own voluntary time commitment before adopting a virtual pet.

## Features:

- Choose commitment play time
- Choose a virtual pet that suits player's play preferences
- Buy clothing and decorate the pet
- Maintaining the pet's health, happiness, and hygiene

## Interface:

Platform: [itch.io](http://itch.io), playable on browser

Arrows - navigation menus

Enter - Select

Art Style:

Low res, simple shape, childish, colorful pixel art

**Music/Sound:**

Cute 8-bit, chiptunes loop music
